

World Venture Missionary Giving Instructions

for Liz and David Haken

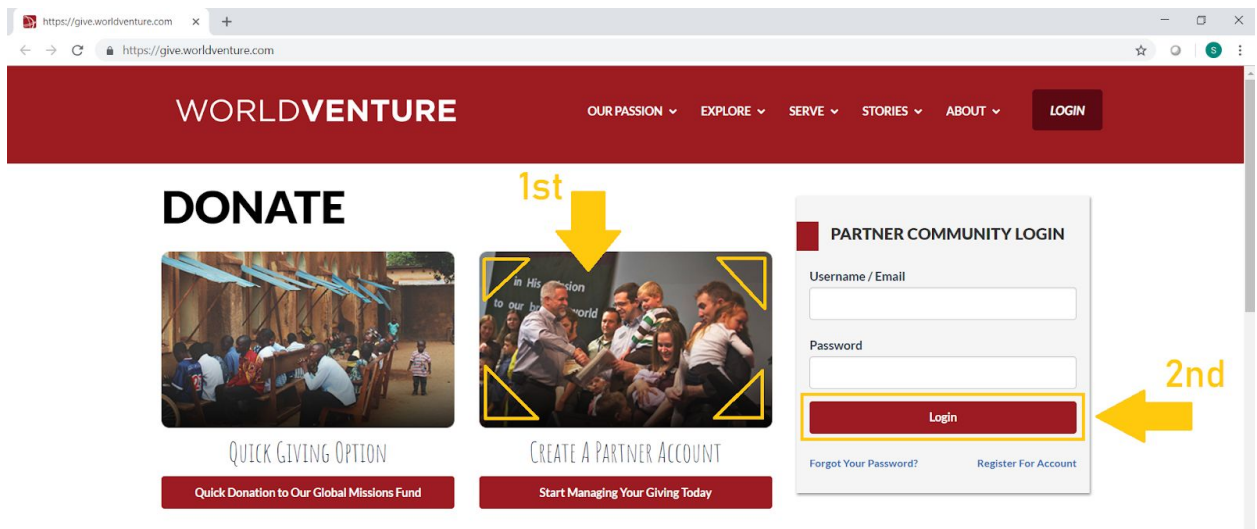

Thank you so, so much for supporting Liz and I, and for partnering with us in reaching the lost in southeast Asia with the gospel through the pastor and missionary training school in the Philippines -- IGSL!

The easiest way to give toward this work is through WorldVenture's giving platform: <https://give.worldventure.com/> (also accessible by pressing the big yellow "Donate" button at the top right of the home page).

From here, the best next step is to "Create a Partner Account."

Once you've created an

account, and you log into your account on the same giving page pictured above, you should see this screen (*the example is my mom's account!*):

WELCOME RENEE,

Thank you for your partnership with WorldVenture. You can use this community to make changes with your commitments to WorldVenture. If you wouldn't mind, please take a quick look at your personal information below and make sure everything is up to date.

Give Now

This window will enable you to select Liz and I as your giving "**Designation**" (by typing in "haken" as pictured above) and to choose "Monthly" under your giving "**Frequency**."

If you would like to make a separate, one-time donation, you can also choose "One Time" to give towards the \$40K out-going need (automatic, monthly gifts received before departure will contribute to this sum - so selecting an early "**Start Date**" really helps!).

While logged in, you can access and adjust your giving amounts, see your giving history, and search for additional giving projects.

Let me know if you are able to follow these steps!

Again, THANK YOU! And God bless!

David and Liz Haken
